

P275 Bed Pets

Even though this is a rather traditional Pin-up format, it has atypical graphic power.

It might also be mistaken for your typical men's mag photo-spread...if the men's magazine photographers had the creativity to employ "emotive" facial expressions.

Mike always adds extra ingredients that make his images a cut above the norm.

But while were handing out kudos, lets not gloss over what Jess brings to the mix.

Those are GREAT eyes! Her mouth is so pretty! She has wonderful full hair stupendous figure and fabu posing chops. But I must say this, even at only 3 pics in....

Those legs are meant for Gods, not mortals! Perfectly massed,

absolutely FLAWLESS getaway sticks.
